Message

This is a momentous period for Rasta as we are now celebrating "The Silver Jubilee Year"- 2019. Rasta was established to serve the underprivileged children of the society with a mission to "Work with socially and economically disadvantaged and empower them with education and skills and enable them to achieve and assert their rights to enhance their quality of life and facilitate their self-reliance, promote gender equity and women's development".

I congratulate all those involved in bringing Rasta especially Mr. K.C.Pant, Secretary & Chief Executive Officer whose hard work and commitment with many devoted people made possible in the development of the organization over the years.

We are proud to bring out this souvenir to commemorate Rasta's Silver Jubilee and celebrate the occasion on "National Girl Child Day". The strong and continuing presence of Rasta in Education, Health, Vocational training and Women Empowerment underscores the commitment of the organization and the good work it has done in transforming people's lives. Looking back to the period between 1994 and 2019, we are filled with a deep sense of satisfaction for having achieved a lot more than we initially envisioned.

In this joyful occasion I wish to express my heartfelt gratitude to all of our partners and other stake holders and all staff members of Rasta Parivar who reposed their faith in us.

Thanking you

Message

Rasta is celebrating its 25th year or silver jubilee of its services to the underprivileged community. It was a long journey with lots of ups and downs filled with difficulties and memorable moments enthused with ever moving steps towards our vision and mission. Consequently, Rasta has educated over 23000 children and mainstreamed 7300 children, and trained 500 teachers of government schools so far. Vocational skills have been imparted to more than 1200 girls and women, and 340 girls have been adequately placed in profitable careers. 1.25 lakh migrants have been registered under our HIV/AIDS programme supported by the Government of Delhi. Rasta has also conducted five research studies for agencies like Save the Children-India, UNICEF etc. Our work was widely appreciated by govt. officer, corporate houses and media equally. The popular television channel like Doordarshan and NDTV. They gave special program for the activities of the organization.

We have touched upon the lives of 27000 people directly and 2 lakhs people indirectly in 78 locations of Delhi/NCR with a team of 123 committed staff and funding partners.

I left my home in 1978 in search of a job. It was quite uncommon for our family to do any job outside of my hometown. In 1979, I came across with one of my friends, who was a qualified basic teacher and was teaching children of construction workers. He was also searching for a government job simultaneously.

One day he asked me whether I would work for the children of construction workers. I was working in a small company in Karol Bagh at that time. I showed my willingness and he introduced me to Mobile Creche working for the children of construction workers. I started working with that NGO. Those days social worker was not an appreciated job. I found the work interesting and continued my association with that NGO for 8 years. By then I started considering this as my career. I joined Deepalaya, an upcoming NGO in West Delhi and worked in one of the child development projects supported by Plan International. This work enhanced my competency to plan and implement programmes aimed at the welfare and development of poor children. It was an eye opener for me to understand the importance of education in human development. I spent about 12 years in this field and became quite sensitive towards the needs of the underprivileged. Whenever I met children with begging bowls at traffic crossings, I used to discuss with my friends to find means and ways to do something for those children. I brought together my like-minded friends, discussed the matter in detail, and decided to form an organization to work with and for the poor, especially the children. Thus was born Rasta, with eight members. Rasta got registered as a charitable society, under the societies registration act, in 1994. Till 1999, Rasta worked in a small way with nominal contributions raised from our friends and well-wishers.

In December 1999 we got a small donation of Rs.12500 from IC Trust as a support for teachers' salary, which is still continuing. We began with 1 staff, 5 children, slowly increased to 25 and then 75 children in slum cluster called Rajiv Camp in east Delhi. One of the notable projects for the poor is the Day Care Centres we are running in Gurgaon for the children of construction workers,

Our great desire is to own a Rasta building fully furnished with all necessary modern amenities to conduct our school programme and stabilise our programmes initiated in 1994 so that no girl remain out of school in want of money in the catchment area.

I take this opportunity to thank all those who have helped us to accomplish whatever we have been able to including our funding partners, staff and above all, the people in our programme areas.

Message from The Hans Foundation on National Girl Child Day

In India, till today, a lot of girls face inequality in the society with respect to their right to education, nutrition, legal rights, etc. National Girl Child Day is celebrated on 24th January every year to spread awareness in the society about these inequalities. It is observed for enhancing opportunities for the girls in the country and to ensure they have equality in rights. It is also important to recognize and honor the accomplishments of the girl children and bring to focus the issues of skewed sex ratio, female foeticide, child marriage, unequal treatment and gender disparities in India.

The Hans Foundation through all its interventions whether in Health, Education or Disability aims to create equal opportunities for the girl child to give them a level playing field for the present and preparing them for the future. Through our work we have been reaffirming our commitment of challenging stereotypes based on gender, promote gender sensitisation, gender equity and equality. Our projects are focussed on creating avenues for their participation and holistic advancement.

RASTA has been working relentlessly towards the betterment of the girl child through their health and education initiatives. We wish them all the success for all their future endeavours and hope they will keep making a difference in the communities especially focussing on the girl child.

एक परिन्दा शाख का

सन् 2000 में रास्ता में एक अध्यापक/ सामाजिक कार्यकर्ता के पद से अपने कैरियर की शुरुआत की थी। उस समय रास्ता में 2 अध्यापक एक अध्यापिका और पहला प्रकल्प एक नई किरण, आई सी ट्रस्ट के सौजन्य से चलता था। इसी क्रम में 2004 तक सामाजिक कार्य के साथ – साथ अपनी पढ़ाई भी पूरी की।

पाठन –पाठन के साथ-साथ थियेटर और कम्प्यूटर एकाउन्टिंग का प्रशिक्षण लेकर सन् 2007 में पुनः रास्ता में एकाउन्टेंट का पद सम्भाला। रास्ता में अवसर पर अवसर मिलते रहें जैसे कि **Accounts, Administration और Research and Studies, Monitoring and Evaluation और Programme**, मैं सीखता चला गया। और पता ही नहीं चला की कब दिन, महीनों में और महीने सालों में बदल गये।

मैंने देखा है कि आज ज्यादातर इन्सान, अपने और अपनों के लिये बहुत कुछ करने की उधेड़ बुन में समाज को काफी पीछे छोड़ देता है मेरा मानना है कि जो सुकुन किसी और के लिये जीने में है या यों कहें कि दूसरे को अवसर प्रदान करने में है यदि कहीं स्वर्ग है तो वह है सामाजिक कार्यों में बढ़-चढ़ कर हिस्सा लेने में है।

रास्ता में जब खोड़ा स्कूल की बालिकाओं के प्रथम बैच ने दसवीं पास की थी तो मुझे लगा कि हमारी संस्था रास्ता वास्तव में सही रास्ते पर चल रही है और हम समाज के इतने बड़े हिस्से को **Cover** नहीं कर सकते किन्तु अपना कुछ तो योगदान कर सकते हैं।

यदि मैं अपनी बात कहूँ तो मैं रास्ता से **professionally** की बजाय **emotionally** ज्यादा जुड़ा महसूस करता हूँ। नये नये प्रकल्प मिलने में मुझे जितनी खुशी होती है कोई प्रकल्प समाप्त होने पर उससे कई गुनी पीड़ा होती है। जब भी कोई व्यक्ति रास्ता में जुड़ता है मैं उसकी मदद के लिये जितना मुझसे हो पाता है सबसे आगे रहता हूँ किन्तु जब कोई व्यक्ति किसी कारण भी कारण वश रास्ता से अपनी नौकरी छोड़कर जाता है तो उसके विदाई समारोह में सामिल होने पर मैं हिचकिचाहट महसूस करता हूँ।

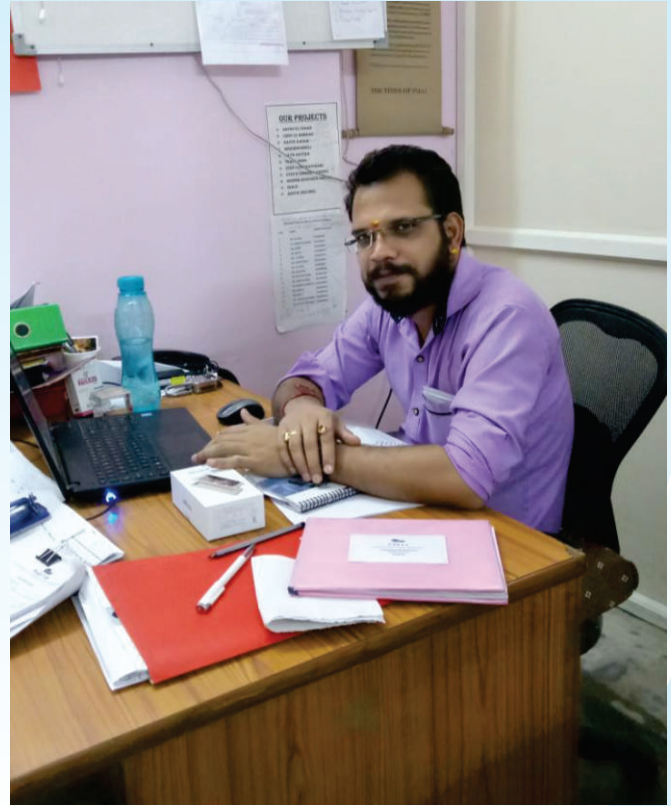

अपने समय की बात रखें तो 2000 से 2004 और 2007 से अब तक (तकरीबन 15 साल) मैं पैसा उतना भले ही अर्जित नहीं कर पाया किन्तु इस क्षेत्र में एक छोटी सी पहचान, सम्मान और इन्सान, काफी अर्जित करने पर अपने आप को गौरवान्वित अवश्य समझता हूँ।

कई बार मैं संस्था में ऐसे सभी कार्य करता हूँ जो मेरी **Job Responsibilities** में नहीं होते। या यों कहें कि बहुत सारे अन्य कार्यों को करके अपने **Job Description** के अर्न्तगत आने वाले कार्यों को करने के लिये समय निकालना पड़ता है तो वहाँ पर मुझे और भी अच्छा लगता है कि संस्था ने मुझमें यह **Skill** देखा होगा इसी लिये यह कार्य मुझे सौंपा गया है।

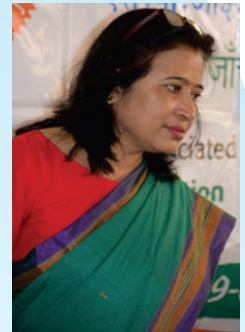

मुझे अपार हर्ष की अनुभूति हुई जब हमारे **Chief Manger-Operation** जी ने मुझे स्मारिका के लिये अपने कुछ शब्द लिखकर देने को कहा। मैं संस्था का धन्यवाद करता हूँ और प्रथम स्मारिका प्रकाशित होने पर हार्दिक बधाई और शुभकामनायें देता हूँ।

निकल पड़े हैं दृढ़ संकल्पों संग,
मंजिलें भले ही अदृश्य हों
आशा ही नहीं पूर्ण विश्वास है,
रास्ता बनाते बनाते कोई तो पहुँचेगा एक दिन
यों तो उतार चढ़ाव भी आयेगें,
डगमगा सकती है कस्ती भी
फिर भी निर्भय, निडर, निश्चल वेग से
रास्ता बनाते बनाते कोई तो पहुँचेगा एक दिन

धन्यवाद सहित

Employee Speaks

As my boss, my guiding light, Mr. Pant says, "I founded Rasta, but it's Vineeta who worked hard to shape it up". It has always been - his vision is my goal, my command.

My journey of Rasta began in 1999 when I migrated to Delhi from Bihar. I was its first employee and we sowed the seeds of change with a meager amount of Rs.12500 and 5 kids.

I started working with the marginalized children of Indira Camp, but Hasanpur took my inspiration to another level. I remember there was a group of children which was leaning towards drugs and was encouraging other children to join them. One day, I met an 11 year old child from the group. I took it upon myself to help him. Gradually, with proper love and care, I was able to pull him away from such habits. Now, he runs his own small business.

There is another case of a girl whom I picked up from the slums and put her in Rasta School. She completed her schooling and now drives a cab all around the capital.

We have worked with the conservative families of Khoda and pursued them to send their daughters to school. Today more than 900 girls attend Rasta School every day and it's a matter of immense happiness and fulfillment for us.

There are many such life-changing stories, where Rasta has been the catalyst.

Such experiences and accomplishments in Rasta have moulded my psyche and understanding of life and have shaped me as a person which I am today. Working with these kids is my true love and life as well.

Thank you Rasta.

भूमिका

UNO =>

UNO एक अंतर्राष्ट्रीय संगठन है जो दुनिया भर में अपनी संस्थाएँ चला रहा है अंतर्राष्ट्रीय संगठन ~~24~~ 24 अक्टूबर को मनाया जाता है। ये दुनिया में चल रही गतिविधियों पर ध्यान देता है। ये बच्चों की शिक्षा के लिए स्कूलों में जाकर अपनी संस्थाओं को फैला रहे हैं और उनकी शिक्षा में सहयोग कर रहे हैं। ये राजनैतिक पर्यावरण के लिए अधिकारी सत्ता आदि के लिए काम करते हैं।

विद्यालय में अच्छी शिक्षा की गुणवत्ता

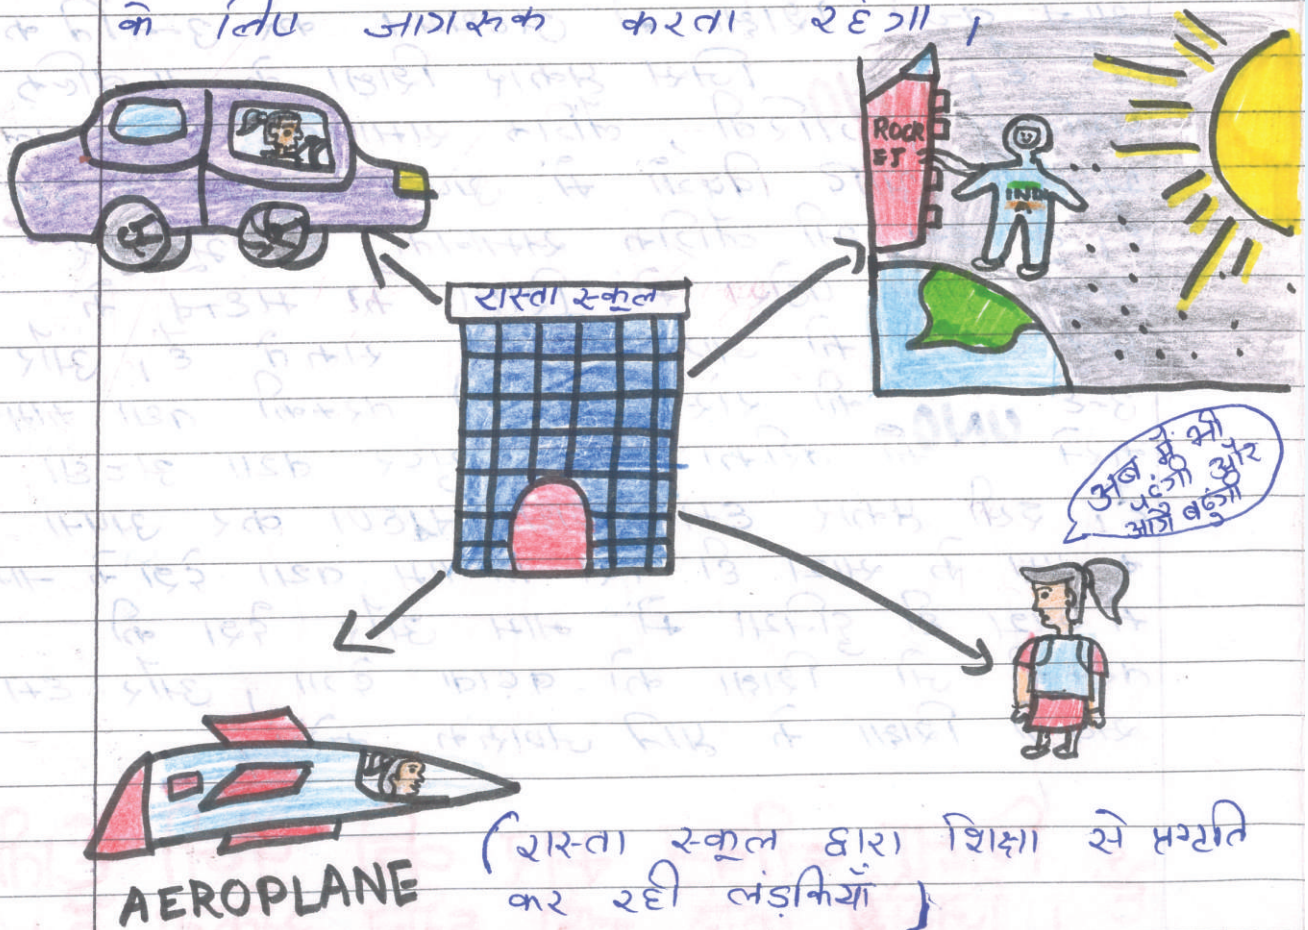

शिक्षा एक ऐसी पूँजी है जो जीवन भर कोई भी हमसे नहीं छीन सकता है। शिक्षा के बल पर हम अपनी गरीबी को दूर कर देश की तरकीब कर देश का नाम दुनिया भर में आगे ला सकते हैं शिक्षा अमीर लोगों के लिए नहीं बल्कि सभी के लिए बनी है चाहे वो गरीब हो। अगर कोई गरीब परिवार अच्छे स्कूल में अपने बच्चे का दाखिला नहीं करवा पा रहा है तो (UNO) के द्वारा सरकारी स्कूलों में योगदान है तो गरीब परिवार का बच्चा भी अच्छी शिक्षा को हासिल कर देश का नाम रोशन करके अपनी जिंदगी को सवार सकता है। भारत एक ऐसा देश है जो प्रगति के रास्ते पर चल रहा है लेकिन पिछले समय में शिक्षा सिर्फ लड़के ही लेते थे, पहले लड़कियों को सिर्फ घर के काम तक ही सीमित रखा जाता था, घर की चार दीवारी तक। अब तो शिक्षा को लड़कियाँ इस प्रकार से ग्रहण कर रही हैं कि लड़के लड़कियों से पीछे रह गए हैं लेकिन अब भी कुछ बाँव है जहाँ सिर्फ लड़कों को पढ़ने की आजादी पर लड़की को नहीं। लोगों की इस रुढ़िवादी सोच से लड़कियों की हत्या भी

की जाती थी, लोग मानते थे कि अगर लड़की शिक्षा लेगी तो अनुपयुक्त हो जायेगा। लेकिन कुछ लोगों ने इस सोच के विरुद्ध कदम उठाए, और लड़कियाँ आज लड़कों के साथ कंधे से कंधा मिला कर चल रही हैं। **UNO** गरीब परिवार के बच्चों को पढ़ने तथा आगे बढ़ने का अवसर प्रदान करते हैं। **UNO** एक ऐसी संस्था है जिसने दुनिया भर में शिक्षा का महत्व दिखाया है। आज हमारे देश में आजादी के 71 वें साल की संख्या हो गयी है, जिसमें हमें एक साथ कदम मिलाकर आगे आना है और **UNO** के साथ शिक्षा के प्रति जागरूकता दिखानी है। ~~कच्चे~~ कई बच्चों ने इसमें शिक्षा में प्रगति की है और अपने देश व परिवार का नाम रोशन किया है। आज बच्चे शिक्षा में अध्ययन कर उन्नति कर रहे हैं। **UNO** जिस प्रकार शिक्षा के ना बल्कि पर्यावरण, गरिबी, लैंगिक समानता, स्वच्छ जल, भूखमरी आदि विषयों में अपना योगदान दे रहा है, तो हम भी लैंगिक समानता को भूलकर अपने आस-पड़ोस में शिक्षा के महत्व के प्रति लोगों को जागरूक कर सकते हैं। और उन्हें **UNO** की संस्थाओं की तरफ़ी तथा काम करने की तरीका बहुत सुंदर तथा अच्छा है। इसी प्रकार हम शिक्षा ग्रहण कर अपना क नाम के साथ ही देश का नाम तथा देश के नाम के साथ ही दुनिया में नाम और देश की तरफ़ी जो शिक्षा को बढ़ावा देगा। और हम सबको शिक्षा के प्रति जागरूक करेंगे।

२. शिक्षा जीवन भर की पूँजी होती है। जिसे कोई नहीं छीन सकता है।

Date : / /

मैं आपको एक उदाहरण दे रही हूँ **रास्ता स्कूल** जो एक NGO है लेकिन उसने जगह-जगह अपने स्कूल खोले हैं, जो शिक्षा के प्रति तो बढ़ावा देते हैं और साथ ही लड़कियों के पढ़ने पर ज्यादा से ज्यादा जोर देते हैं। **रास्ता स्कूल** की **अध्यापक** स्वयं घर-घर जाकर लड़कियों को शिक्षा के प्रति जागरूक कर रही हैं, तथा उन्हें आगे बढ़ने में हौसला देती हैं, अगर कोई परिवार गरीब है, तो **रास्ता स्कूल** उसे परिवार के बच्चे की स्कूल फीस माफ कर उसे आगे पढ़ने का अवसर प्रदान करता है। **रास्ता स्कूल** का उद्देश्य है कि कोई भी बच्चा शिक्षा के बिना अपना जीवन व्यर्थ न कर दे, वो **रास्ता स्कूल** सभी को शिक्षा के लिए जागरूक करता रहेगा।

Case 1 Gulafsha, preferably with her Sewing machine)

“Now I can support my family”, says Gulafsha, an ex-trainee of Rasta Vocational Training Centre.

Gulafsha lives in Khureji Khas in a small rented house. She belongs to a family of seven members - her parents, three sisters and two brothers. Her father is self-employed as a welder. He is the only earning member in the family. Through Rasta community mobilizer, Gulafsha came to know about the ongoing vocational courses in Rasta. She enrolled herself in the Cutting and Tailoring course in 2014, and simultaneously studied for graduation. She successfully completed the 6 months' course. Gulafsha started securing orders for stitching from her neighbors and started earning. Still, she used to come to the Rasta Vocational Training Centre to enhance her skill. In 2015 Rasta offered her the post of Cutting & Tailoring instructor at the Vocational Training Centre from where she learnt stitching. She was drawing a salary of Rs. 7000/- per month and helping her father to meet the needs of the family. In 2017 she got married and settled in a new place where she started stitching clothes from home.

Gulafsha says “Thanks to Rasta for helping me to become independent and turning my dreams into reality. Now I can support my family.”

Case 2 Sultana passed X after attending Rasta's Adult Education Classes!

Sultana resides at Khureji Khas. Hailing from a conservative Muslim family, she was never allowed to go to school especially by her grandfather. Sultana was married off at the young age of 15 years to a man 35 years old who also hailed from an equally conservative family. Sultana was forbidden to get out of the house and interacting with others. Rasta staff, during one of their community visits to the area, came in contact with her and heard her story. Sultana told them about her desire to study. Rasta staff dialogued with her husband and parents-in-law and persuaded them to allow Sultana to attend Rasta's adult education classes. Sultana started coming to the adult education classes, and was quite regular and enthusiastic in studies. Rasta prepared her for the class 10th examination of NIOS which she passed. Now she is appearing for 12th class. She is presently working as a garments seller and earns Rs4000-5000/- per month. Her earnings are a big help to the family and she has endeared herself to the entire family.

Case 3 Pushpa is a cab driver now and is earning well.

Pushpa, 24 years old, belongs to a family of seven members – her parents, 4 brothers and 1 sister. While in School, she attended the remedial classes conducted by Rasta. Due to the untimely death of her father she had to discontinue her studies after 10th. Right from school days, Pushpa had a desire to become a cab driver. She joined a 6 months training in self-defence and the cab driving. She did well in these courses and became a driver in 2017 and is presently earning Rs.8000/- to Rs.10,000/- a month. Later with the help of Rasta, Pushpa continued her studies till B.A. Her mother started working as domestic worker. One of her elder brothers is living in their village and other brothers do not have a any regular work. Hence Pushpa is the main earning member in the family. Confident and hardworking, she looks forward getting settled after settling her brothers.

Case 4 Sujoy, once a Rasta teacher, runs his own Learning Centres now!

Mr. Sujoy joined Rasta as a teacher at Indira camp in 1999. Since then, he has been rendering his service very happily and sincerely. In 2004, when Rasta had to discontinued its work in Indira Camp, due to some financial crisis, Sujoy decided to work independently, so that education of the children was not disrupted. Impressed with his dedication and commitment Rasta decided to support him. Rasta supported him with the infrastructure and he continues conducting his educational classes even now. He is earning Rs.10,000/- to Rs.12,000/- a month and sustaining his family. He has three daughters and one son and all are studying.

He is thankful to Rasta for supporting him in his time of need.

K.C. Pant, who founded Rasta School in Khodra Colony, with his 100 students.

"Civilite has played a big role in our success," says K.C. Pant, founder of Rasta Girls School in Khodra Colony in Ghaziabad, UP. "They give us hand-holding support. They check the academic progress of the children they sponsor and monitor us closely. We have a common objective. They have the expertise to raise resources and our strength is our work in the field."

The Rasta School, above, with mostly Muslim girls, has become a landmark in Khodra Colony, a poor neighbourhood of congested lanes. Pant, who founded the school in 2007, says 600 girls now study there.

It all began as a sort of challenge, he says. Vinod Khanna, a retired IPS officer and a consultant with Tech Mahindra, jokingly asked Pant if he could start a school for Muslim girls. Pant, who had worked 22 years for Deeplyara, said he just couldn't refuse.

Pant had to use all his persuasive skills to get parents to send their girls to school. "Here I was, a Hindu Pandit from Uttar Pradesh trying to teach Muslim girls," he recalls. He and his staff trudged to local mosques, madrasas and the neighbourhood. Finally, the community acquiesced and Pant began an informal pre-school and remedial classes for 250 girls. About 60 girls were helped to pass the National Institute of Open Schooling exam.

Rasta Girls School has now been recognised by the Uttar Pradesh State Education Board. The girls can appear for the CBSE exams too as private candidates. Meanwhile, Pant has opened two more Rasta schools.

Altogether Rasta provides education to 900 girls. The school has earned enormous goodwill within the community. The parents find the fees of ₹150 per month affordable.
